give your walls a meaning

Individual expressions: Sometimes it is an impressive visual, sometimes silent and sensitive, it is a statement that is worth sounding. Attitudes come with multiple facets, that diversity is reflected to the new collection by **Karan and Kavita Singh, Founders of kstockwallpaper**. **Impression by kstockwallpaper** indicates who you are. They express what words can not say. They have individual rhythms and adapt to your life.

Impression by kstockwallpaper offer new possibilities to shape an ambience as unique as the people who live in it. As personal as a favorite song, influencing the emotions in the room.

Dominant, dreamy, playful or noble: **Impression by kstockwallpaper** creates a stage for what happens in a specific space. They create atmosphere, in private as well as in public areas. The images in this series offer completely new design and optical possibilities for changing the structure of a given architecture.
